The digital future of cash!

Monero for All

monero.garden

Privacy

Monero transactions are private and untraceable by default.

Security

Through the use of advanced cryptographic techniques, the receipt of payments is secure and unalterable.

Acceptance

Send payments to anyone locally or worldwide without expensive fees or waiting times.

Decentralisation

Monero is a community currency that is not controlled by a central authority.

Value

Over the last 5 years (2018-2023), Monero has gained 218% vs the US dollar, while the Naira has lost 68%.

Be part of the revolution

Take the first step today!

With Monero, you are not only a trader, but also a pioneer in the new era of digital commerce. It's not just a question of technology, but also of trust, community and the future.

As easy as cash, only digital!

Step 1:

Install a Monero wallet on your smartphone. There are many trusted and free apps in the App Store, Play Store and F-Droid. Cake Wallet, Monerujo, MyMonero and Mysu have proven themselves.

Step 2:

There are several ways to get Monero (XMR).

Earn it.
1) Accept Monero at your business
2) Sell items or services on moneromarket.io or XMRBazaar.com (coming soon)

Receive it.
1) Remittances
2) Create a fundraiser at kuno.anne.media

Buy it Peer to Peer (P2P).
1) Use localmonero.co to buy XMR
2) Use Binance P2P to buy LTC or BCH, then Exchange that for XMR in Cake Wallet

Mine it. Learn how at p2pool.io/#help

Step 3:

Spend it. Use your wallet to scan QR code from merchant and confirm payment. Find businesses worldwide that accept Monero at monerica.com.

Advantages

For you

Private: Only you know your balance and previous transactions.

Censorship proof: Use Monero how you want, without risk of losing your fiat bank account.

Fast transactions: Send payments in almost real time.

Low fees: No credit card or bank fees.

"Thanks
for using Monero."
